**Jenn Sherman** grew up right outside of Washington D.C. She currently lives in Manhattan and works as a Senior Associate within the Markets Control Office at BNY Mellon. Prior to that, she worked within Surveillance at Deutsche Bank. Jenn attended the University of South Carolina where she dual majored in Risk Management and Marketing, and minored in German. When Jenn is not at work you can find her on the next travel adventure, painting, going to kickboxing, yoga, or barre classes.
